Nurses Respond Now Priority Training

Preparing Nurses to Address the Needs of Vulnerable Populations in a Public Health Emergency

Plan Ahead

Action Plans from the CDC Office of Readiness & Response

This resource provides a set of actions to assist individuals and families in preparing for a public health emergency.

The Emergency Action Plan section includes links to My Evacuation Plan and My Complete Care Plan as well as action plans specific to advance directives, asthma, food allergy and anaphylaxis, cancer survivorship and children with special healthcare needs.

Click on Resources to download and link to tools you can use in your practice to support individual and family emergency preparedness.
